

DATA PROTECTION

The Society is required to conform to laws relating to how personal data is retained.

This means we have a policy document agreed by the Society committee on how we keep and use your personal data. We keep your personal contact details securely, and do not share it with other organisations. We need the data so that we can contact you about your membership, Society events and send out newsletters.

The membership list is kept by the Secretary, the Treasurer and the committee member responsible for newsletters and similar mail.

A copy of the Data Policy document is available to all members to see if they wish. Your data can be removed from our files at your request.

For more information please contact:

Winslow and District Art Society

We were established in March 1993 when a group of local residents gathered together to form the Society. In the 2020's we are a thriving art society with a variety of activities on offer and an active membership.

We welcome and encourage new members – whatever their ability.

We have monthly demonstrations, usually on the last Thursday of the month, between September and June. They take place at the Bowls Club in Winslow.

We provide two painting groups that meet weekly during the year (term times) in Padbury and Winslow. These groups are not tutored but are a chance to paint and try things out. All abilities are welcome and we can usually offer help and support if wanted from our more longstanding members.

We hold two exhibitions each year normally in May and November when a wide range of pictures and original artwork is shown for sale.

We also hold ad hoc events including visits, social evenings. Etc

We are a 'not for profit' organisation

MEMBERSHIP is open to all those over the age of 18.

Full Membership : £40

Entitles you to attend monthly demonstrations and social events & to submit original work in the Spring and Winter exhibitions

Joint Full Membership (Husband/Wife/Partner) £45

Painting groups have an additional cost which averages £3 per week for each of the three ten week terms' a year.

The Annual General Meeting is held in September each year.

2025/26

MEMBERSHIP APPLICATION

The current membership year runs from September 2025 to September 2026

I wish to become a member / continue membership of the Society and enclose the appropriate fee for the year as overleaf.

Under the terms of the General Data Protection Regulations, Organisations such as ours have to ensure that all those for whom personal data is held are in agreement with the procedures adopted by the Society to protect your data. More information is given overleaf, but we need your signature here to show that you have approved.
